Join us and Celebrate Sailing on Summer Sailstice 2022

Members of XXX Sailing Club/Association/School/Fleet are invited to join the global sailing community for the 21st annual Summer Sailstice - June 18, 2022.

Saturday, **June 18th** marks the **22nd** anniversary of Summer Sailstice; a global holiday celebrating sailing. Each year thousands of sailors participate by racing, cruising or daysailing across all 50 US states and around the globe, sailing ‘together’ wherever they are in the world.

Let’s put our Club/Association/School/Fleet ‘on the map’!

This year the **XXX Sailing Club/Association/School/Fleet** is inviting all members to ‘get out the boat’ and sail with us for our Summer Sailstice (**race, cruise, open house, raft-up, try sailing day**) on the weekend of **June 19th**. Please **RSVP** by signing up and joining our Summer Sailstice event here: (**place your link here**) The summer solstice weekend is the perfect time for us all to get out on the water, and there’s no better way to start the summer than by uniting with sailors around the world in celebration of sailing.

Plus, by signing up at Summer Sailstice you not only join a great event, you also help publicize the best of sailing and become eligible to win from an incredible pool of prizes: www.summersailstice.com/prizes

You also have the opportunity to join the sailing community in preserving the world’s oceans by contributing to [Sailors for the Sea](#).

So please join us out on the water at **XXX Sailing Club/Association/School/Fleet** on **June 18th** and “**Sail Locally, Celebrate Globally**” to connect with the whole world sailing in the 22nd annual Summer Sailstice!

About Summer Sailstice

Founded in 2001, Summer Sailstice is the global sailing holiday celebrated on the weekend closest to the summer solstice. Founded on the basis that the non-sailing public doesn’t really understand sailing and most public awareness comes from events or tragedies that don’t accurately represent sailing (America’s Cup, Thurston Howell III, etc), Summer Sailstice was created to unite, celebrate and showcase life under sail, and be a lot of fun. Every year Summer Sailstice unites over 20,000 sailors across the oceans to celebrate and showcase life under sail.
